Dua for Kids- 2020-04-27 Duas for children: The most beautiful Dua for children There is no doubt that our children need a great deal of constant attention, and among these concerns they are protected from all that harm them and the prayer is for them to be preserved by Almighty Allah and to be well appointed. The Muslim must keep and resist the memory and all the legal aspects of the book and the year, as it is a fortification of children, the house and the God willing, and this subject is a claim of children, which is a beautiful general claim that people say in praying for their children. - Each page in This Precious dua book

21 Du'ā for Children-Mansur Ahmad (Ph. D.)
2010 "Best prayers are those that Allāh (swt)
taught by in the Qur'ān and those that our
Prophet (S) taught. In this booklet, 21 du'ā from
the Qur'ān are included. Some of these du'ā were
first prayed by the prophets. Some du'ā were
made by believers seeking guidance. Others were
taught by Allāh (swt) showing the believers what
to ask for and how to ask. We can pray to Allāh
(swt) anytime using our own language. However,
it is better to pray using the exact words of the
Qur'ān. We must make it a daily practice to pray
to Allāh (swt) --after waking up, after salāt,
before going to bed, and at any other time"--

40 Rabbana Dua-Muhammad Hanif 2020-04-30
Praise be to Allah, we thank Him, seek His Help
and His Forgiveness. We seek refuge in Allah

from the evils of ourselves and that of our bad
deeds. He whom Allah guides, is truly guided,
and he whom Allah leaves to stray, none can
guide him. I bear witness that there is no god but
Allah, who has no partner and I bear witness that
Muhammad (PBUH) is His Messenger. This
publication is a compilation of forty such verses,
which are supplications imploring Allah for
favours, all of which start with beseeching Allah
with His title of the Lord of all. If a person reads
it with humility and subjugation, there will be a
feeling of contentment. This is a Dua book in
Arabic and English for both children and adults.
As people in Ramadan generally do not find
enough time to read an extensive collection of
duas on a daily basis, this book provides a
comprehensive collection of 40 duas. As a child
growing up in an Islamic household, I always
wanted a Dua book eligible for me to understand
and refer to whenever I needed. Nowadays
parents continue to contact me inquiring about
Duas for their children. I felt it was my calling
and duty to publish a children's book made
simple for young ones to be able to comprehend

and memorize Duas.

How To Pray In Islam Book For Kids Girls-

Islam Art Publishing 2020-04-30 This is a new book reserved especially for muslim kids girls. This new book is composed of three parts. The first one is for how to perform ablution in islam. All the steps needed are explained so as to do ablution correctly and easily. As for the second part of this book, it is reserved for how to perform islamic prayers. Indeed, we present for you all what you need to perform your prayers exactly as it should be done in islam. Of course, we explained all the procedure by using texts and pictures in order to make it very easy to understand our presentation. The third part of this book is for presenting some quranic duas/requests that can be used during the prayers or after finishing these prayers. You may also use these duas whenever you want in your daily life so as to build a strong, constant and

spiritual connexion with Allah (God). And doing so, you will certainly achieve your spiritual serenity and Allah will always be with you. Really, this a very important book for girls to follow the principals of islam especially about performing ablution and prayers and also in what concerns Duas/requests. This book can be useful as well for kids boys and even for seniors. Surely you will take benefit from it incha allah. Cyber Worship in Multifaith Perspectives-

Mohamed Taher 2006 Cyber Worship in Multifaith Perspectives, as is implied by its name, explores worship (i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc.) on the Internet. It is not an "everything you need to know" guide about the subjects of faith and belief, religions-online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under

the rubric, cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term 'Cyber Worship' is a catchall phrase, which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.
